New Faces at Hubbard's

We are pleased to announce that our Hubbard's team has grown with the addition of two new staff members.

Tamlyn commenced with us as our English teacher for Senior Prep. Tamlyn comes to us with an abundance of knowledge, experience and enthusiasm in this subject area along with her passion in growing and developing the minds of young adults.

Chris joined our Admin team at the beginning of the term and she brings with her a wealth of administration experience to Hubbard's. Over the next few months, Chris will be coordinating and administering the External Exams and Assessments at Hubbard's.

We extend a very warm welcome to both Tamlyn and Chris.

Updates & News

Student Absence

It is crucial that students attend all lessons they are enrolled in between now and the QCAA examinations/external assessment.

For any students who are absent for three consecutive school days, a medical certificate will be required to the Admin team (Covid exemptions).

We request this with the best intentions to support our students achieve their desired outcomes.

Student Attendance

Just a friendly reminder that we ask students to arrive on time for the start of their lessons. This time of year requires a strict timetable to cover all of the curriculum and allow adequate time for revision, prior to the end of year exams.

Philosophical Quote

You have power over your mind - not outside events.

Realise this, and you will find strength.

-Emperor and stoic philosopher, Marcus Aurelius

Parking

A reminder that the visitor parking bays are not available for student use. Senior school students who drive to school are required to find parking either on the street or within nearby parking structures. This is going to be even more imperative over the next couple of months while we conduct student interviews for 2023.

Thank you for your cooperation.

August Exam Block

Hubbard's final internal Exam Block is fast approaching and we encourage all students to continue reviewing their study notes, review the work on MATRIX and seek assistance if needed.

Exams will occur from **24 August - 31 August**. This is an exam block and as such, students will only have to attend on days they have an exam scheduled unless their teachers have made arrangements with them to run additional classes in preparation for the end-of-year exams.

Mornings Exams:

- AARA students begin at 8am
- Non-AARA students begin at 9am

Afternoon Exams:

- ALL STUDENTS begin at 1:15pm

We encourage all students to look at their exam timetable carefully and let us know if any clashes have occurred that we've missed.

There are printed copies of the Timetable at Front Reception.

Please make contact with the School if you have any questions or concerns.

****Student Calculators****

Please ensure all calculators are free of any graffiti, pictures, writing etc. before the August exams. This is due to the strict regulations QCAA hold which will apply for the QCAA final exams. This applies to all subjects where a calculator may be used. Please also familiarise yourself with how to clear your calculator as this is another requirement by QCAA. If you are unsure of how to do this, please seek guidance from your teacher.

QCAA External Examinations/Assessments

The 2022 QCAA General Subjects (External Assessment) and Senior External Examinations (SEE) timetable has now been released by QCAA. The QCAA Exam schedule for Hubbard's subjects is now available on our website.

Contact with our Principal

Cathy would like to welcome all parents, guardians and students to meet with her to discuss anything! She welcomes open communication via phone, email or by appointment.
