### **Reflecting on our First Term**

As we come to the end of our first term of the school year, we can already begin by celebrating some great successes.

In a short time, our students have forged some great relationships with other students and their teachers. They have already discovered that despite the challenges of Covid lockdowns and floods, they have made great progress towards their end-of-year results. They have been well-prepared in taking examinations and some have even completed two units that contribute to their QCE.

Well done to the Hubbard's 2022 student cohort. You are on track for some excellent results.

You can now treat yourself to a restful holiday in preparation for the coming term.

To view the full 2022 calendar year, click [HERE](#)

**An assessment calendar for Units 1, 2, 3 & 4 of the General Subjects can be found [HERE](#)**

Please note that some of these dates may move due to the disruption of the floods.

## University Clinical Aptitude Test (UCAT)

The University Clinical Aptitude Test (UCAT ANZ) is an admissions test used by the UCAT ANZ Consortium of universities in Australia and New Zealand for their medical, dental and clinical science degree programmes.

The test helps universities select applicants with the most appropriate abilities and professional behaviours required for new doctors and dentists to be successful in their clinical careers. This is used in collaboration with other admissions processes such as interviews and academic qualifications.

**Students who intend to apply for degrees in Medicine, Dentistry and Clinical Science are encouraged to sit their UCAT test this year.**

**Bookings open:** 1 March 2022

**Bookings close:** 17 May 2022 at 11:59pm AEST

**Late bookings close:** 31 May 2022 at 11:59pm AEST

**The 2022 UCAT ANZ must be sat between 1 July and 12 August 2022.**

# Updates & News

## Diploma of Business

### Book a personalised 'catch up' lesson

Continuing next term, Linnette would like to extend the offer for Diploma of Business students to book a 15-30 min session with her outside the normal class timetable. The purpose of these sessions is to discuss assessment submissions. These appointments can be booked via email with Linnette. This is voluntary, not essential.

[Contact Linnette to book a session.](#)

### Compulsory Holiday Course

Reminder regarding attendance in the compulsory holiday course for Diploma of Business students during the school holidays.

**WHEN:** Monday, 4th and Tuesday, 5th April 2022

**TIME:** 9.00am - 4:00pm

**WHERE:** Hubbard's School - Face to face learning

The 12 hours over the 2 days will account for 2 weeks of class work thus, absences on these dates will be detrimental to students and may result in you not completing the course in October.

For students graduating in 2022 that wish for the Diploma of Business to be included towards their QCE and/or ATAR calculations, the course needs to be completed by the end of October 2022.

If you have any questions or concerns, please contact your teacher - [linnettek@hubbards.qld.edu.au](mailto:linnettek@hubbards.qld.edu.au)

## Specialist Math's Award

We want to applaud the incredible effort of Alex Malone for her outstanding achievement in Year 11 Specialist Maths in 2021.

Congratulations for your distinguished grades Alex!

# Updates & News

## Compass

### What is it?

In 2022, Hubbard's has adopted Compass as our school management system. All parents and guardians should have now received email communication along with their login details.

This application will allow us to better communicate with families, streamline our processes, ensure our data is safe and secure and provide an all-round better experience for students, staff and parents.

Please contact [admin@hubbards.qld.edu.au](mailto:admin@hubbards.qld.edu.au) if you have not received your login details.

### Reporting Attendance/Absences

The parent portal is our preferred option for reporting any absences for your student. This is very simple and can be completed through an app on your phone or through a web browser on your computer.

In the instance where your student has an unexplained absence, you will be notified that afternoon/evening to advise that your student was not present for one or more classes. This also provides you with the option to login to explain these absences.

### News Items

The Compass News Feed appears on the Home page for all users (staff, students and parents), and is a great way to communicate within our school community.

The News Feed is customised to only apply notifications that are relevant to you and your student. The most recent News Items sit at the top and are moved down the feed as other posts are created (unless made a priority in which case it is pinned to the top of the Feed).

## Report Cards & Parent / Teacher Interviews

Parents will receive student report cards relating to the subjects they are currently enrolled in by early May.

Parents will then be invited to book parent and teacher interviews with their students' teachers. This is a great opportunity for you to meet your child's teacher and seek further information regarding your student's performance within the classroom.

# Updates & News

## School Jersey

Each year we generously have a parent and/or student volunteer to organise the school jersey.

### What does this entail?

- Designing a jersey using school colours
- Taking orders and names required for printing
- Ordering the jerseys
- Collecting payment

We thought it was timely to seek volunteer/s for this job.

If you are interested in volunteering, please contact [admin@hubbards.qld.edu.au](mailto:admin@hubbards.qld.edu.au)

School holidays  
are here!

## Contact with our Principal

Parents, guardians and students are always welcome to meet with the Principal, Cathy Pappalardo to discuss anything! You may contact Cathy via phone, email or by appointment.

## Feedback

If there is something in particular that you would like to hear about or see featured in this newsletter or if you have any feedback, please let us know.
