Updates & News

Exams... done and dusted

Thank you to all for your flexibility in our last minute change in exam dates due to lockdown. We understand that this may have been a trying time for some but appreciate everyone working together to ensure they could still go ahead for the first week in Term 2.

Updates & News

ICT Update

Over the holidays we completed a digital transformation project. We are now working within the cloud environment and have rolled out a new suite of laptops.

What does this mean for Hubbard's Students?

Students will have access to these laptops throughout class or to continue their study while on Hubbard's grounds.

Students will now have access to their files anywhere, anytime. The Student Common drive will allow them to save documents/information to their individual file to continue working outside the Hubbard's environment.

Updated to 2021 Calendar

Given the change to the exam dates, the report cards and parent/teacher interviews have respectively changed as well to accommodate this.

New Dates:

- Report cards will now be emailed to primary and secondary guardians on 5th May 2021
- Parent/teacher interviews will now occur in person on the 12th May 2021 from 5pm

If your contact details have changed, please let us know at admin@hubbards.qld.edu.au

Hubbard's Dress Code

From time to time students become complacent with their dress standard, so we are taking the opportunity to remind people about appropriate attire.

Hubbard's School is a non-uniform school, however students are expected to maintain acceptable dress standards. Non-compliance with the dress code will be considered a failure to comply with school procedures and direct consequences will result.

Irrespective of gender, all students are required to ensure that shirts and tops must be long enough to keep the mid-body covered, and necklines of shirts and tops must provide adequate coverage and be suitable for a workplace. Skirts and shorts must be long enough to allow adequate coverage, and undergarments should never be visible. Garments carrying inappropriate (e.g. obscene or derogatory) images or words, promoting alcohol, tobacco or illegal substances are not acceptable. Enclosed footwear is preferred, however footwear (such as thongs) that pose a workplace health and safety risk are not permitted.

A great way to prepare for 2021 and boost your confidence in Mathematics!

Coming Up

Brisbane Careers & Employment Expo

The Brisbane Careers & Employment Expo will be running from the 21st- 22nd May 2021.

The expo is Queensland's largest careers, training, education and employment event. The event offers the opportunity for students, job seekers and career changers of all ages to connect with organisations for guidance, clarity and opportunities in relation to career options.

SEE Registrations

The QCAA will open registrations for Senior External Examinations early June and will close 30th June 2021. The fee will be \$68.15 per subject.

Registrations received after 30 June will not be accepted by QCAA unless there are exceptional and unavoidable circumstances. If a late registration is accepted, the fee will be \$111.35 per subject.

To all of the mothers within our Hubbard's community...

Happy Mother's Day

Contact with our Principal

Cathy would like to welcome all parents, guardians and students to meet with her to discuss anything! She welcomes open communication via phone, email or by appointment.

Feedback
