Important Dates

SEE Registrations Closing TODAY

On-time registration for the Senior External Examinations (SEE) close on the **30th June 2021**

QCAA advises registrations received after 30th June 2021 will not be accepted unless there are exceptional and unavoidable circumstance.

QCAA AARA Applications Closing Soon

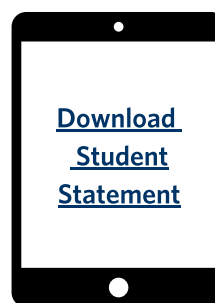

If you are applying for special provisions through the AARA process, please ensure that the completed forms (Medical Report and Student Statement) are returned to the school **before students return for Term 3.**

All new and returning students who are requesting special provisions for exam conditions need to complete these forms.

Who do I send them to?

Please send all completed AARA forms to admin@hubbards.qld.edu.au

If this deadline is unattainable for personal reasons, please contact the school ASAP.

August/September Exam Block

The August / September Exam Block Timetable will be available in the coming weeks. This is the final internal exam block before the end of year QCAA exams. Unlike the June In-Class tests, these exams will aim to emulate the end of year exams to give our students further exposure and preparation to exam conditions. This means students will only need to attend their exams, AARA's will be in place (based on what you applied for in your application) and the format of the exam will be more formal.
